### Kitzbuhel, Austria - February 1<sup>st</sup> to February 8<sup>th</sup> 2025

[Kitzbuhel Austria](#) is one of the most famous ski resorts in the world, with over 233 kilometers / 145 miles of slopes for all levels of skiers, from beginners to experts. You can enjoy the stunning views of the Alps, the cozy chalets, and 58 of the most modern gondolas and lifts you will find in the world. Kitzbuhel is also home to the legendary Hahnenkamm Streif racecourse, the most challenging downhill ski race in the world, which attracts thousands of spectators every year.

And when the sun goes down, Kitzbuhel does not disappoint. The town has a vibrant nightlife scene, with bars, pubs, clubs, and casinos that cater to every taste and mood. You can dance the night away, listen to live music, watch a show, or try your luck at the tables. Whether you want to party hard or relax with a drink, you will find the perfect place to have fun and meet new friends.

But skiing is not the only thing that Kitzbuhel has to offer. The town itself is a charming medieval gem, with colorful houses, cobblestone streets, and medieval churches. You can explore the museums, churches, shops, and cafes that reflect the rich culture and history of the region.

Kitzbuhel is a ski lover's paradise, but also a destination for anyone who appreciates beauty, culture, and entertainment. Join us for an unforgettable trip to Kitzbuhel, Austria, from February 1st to February 8th, 2025!

*\* Kitzbuhel is part of the [Ikon season pass](#), so you will get seven days access to three ski areas (Kitzbühel, Kirchberg and Mittersill) if you purchase the full Ikon pass for skiing in the US as well!*
